PACEMAKER HUNTER FINEL

California again sprang into the ath de limeglare when Percy Lawrence paired with Willie Hanley, won the Norrist'n W. Elec.

50-mile team race around the circular Enginer's 50-mile team race around the circular track at Point Breeze Park last night. their combined riding being clocked in

was the brilliant pedal pushing of Lawrence that really brought victory to the

Lawrence was on the track for about thirty-five miles. Hanley started the race for the California team and went into the lead at the outset. Percy took up his team's riding shortly after the start of the fifth mile and when Lawrence was challenged by Clarence Carmen as the control of the co rence was challenged by Clarence Carman on the second lap of twelfth mile the latter went out in front when the coast star lost pace, after they had Menus Bedeli, who was teamed with Ted Byron, an Australian, came through with a great burst of speed on the nineteenth mile while Carman was lend away from Clarence's partner, Tommy Smith, of New York. Then Lawrence again pedaled ahead on the third lap of the thirty-fifth mile and gave Hanley a lead of four laps when the latter relieved his teammate.

Lawrence returned to the track for the last five miles and with but a mile to go Percy gave a sensational exhibi-tion of changing from behind one motor to another when his first pacemaker found trouble with his engine. The switch was made while Lawrence was soing at full speed.

It was a brilliant race throughout.

with the winner but a lap shead of the second team, Carman and Smith, and the third pair, Bedell and Byron, only

two laps further behind.

Because of a foul by pacemaker Jimmy Hunter, who forced Lawrence Wednesday—Fort Mifflin vs. U. S. S. Ful-ton 3 P. M.
Thursday—U. S. Marines vs. Receiving Station, 1 P. M.
Friday—Fort Mifflin vs. U. S. S. Relief. to lose his pace coming into the twenty-fifth mile, the former was fined \$25 by Referee Jack Roden. Hunter said after the race the foul was unavoidable, explaining that he could not have helped running his motor so close to Law rence's bike. Carman had just lost his pace while Lawrence was passing him.

Frank Harris, Olympic C. C., was a winner in the two-mile open in 5 minstes 17 2-5 seconds: L. McFarland, of the Quaker City Club, was second, and Cherre Patterson, Olympic C. C., third. George Patterson, Olympic C. C., third. Tony Giacomo, Philly Wheelmen, fin-fahed first in the final two-third-mile handicap amateur heat in 1 minute 22 2-5 seconds.

Rival Local Baseball Clubs Will Clash on Uptowners' Field

PARKESBURG - BRIDESBURG

The Nativity and Dobson baseball teams will chash this afternoon in an important local baseball contest. They have met once before this season, and Phil Haggerty's aggregation won an easy victory on the Dobson grounds in East Falls.

Dobson will in all probability use Lefty" Schofield in the box. He has been a member of Nativity until a few days ago, when he joined Dobson. A hard-fought game is expected.

Dobson yesterday splft even in two games, as did their opponents of today. In the morning Dos on defeated Pen-coyd, but lost to Lit Bros. in the after-noon. Nativity was beaten by Stetson after ten sessions in the morning fracas, but had little trouble in defeating Em-erson, of Camden, in the afternoon en-

gagement. The Parkesburg Iron team will make

Its first appearance of the season in this city this afternoon when it plays Bridesburg at Richmond and Orthodox streets. The visitors will have on the pitching mound "Lefty" Weinert, who until a week ago was a member of the Phillies, but was suspended for five years by Judge Landis.

The locals will have as their mainstay in the box Hockenbury, who has rounded into form and has won his last five games in succession. Bridesburg yesterday played two sensational games with the Buffalo Stars and won. The final contest required thirteen innings before the home team won out.
